

Candidate 1st Vice Chairman LD 19
John Mothershed

My name is John Mothershed, and I am running for First Vice Chair of Arizona's LD 19. As First Vice Chair, it would be my pleasure to serve our District by securing clear and productive communication and coordination between LD 19 and our five County parties. As a conservative, I work to conserve people, culture, and resources. The enemies of our Republic are within our State, actively working to destroy our future; it is up to us to stop them at every turn. My mission is to train, equip, and motivate Arizona's citizens to advance our priceless inheritance of Christian republican government for generations to come. As a father of two, an Army Reserve officer, and an Arizona Ranger (Benson Company), I am experienced in both leading and serving. I take my children's future seriously and I invite you to join me in the fight for truth and righteousness.
