Dear Legislative District 19 Members,

I respectfully submit my intent to serve as Secretary for LD19 to assist the President with agenda setting, minutes at monthly meetings and record retention duties.

Originally from Southern California, I retired from my position of 31 years in 2010 as Supervisor of Budget, Accounting and General Ledger activities at a large school district in El Cajon, east of San Diego.

I am currently Secretary of the Friends of Sierra Vista Area Association, servicing small, micro and veteran owned businesses in Cochise County. I have, also, served as Secretary to the Huachuca Museum Society this past year until October as I have accepted a position in the 1200 Club as Membership 1st VP. I serve on the Arizona Federation of Republican Women's nominating committee for our region to nominate and select candidates for their 2028-29 Board of Director elections statewide.

As the Immediate Past President of the Huachuca Area Republican Women's Club, I developed a broad base of political and election processes. I am Precinct Committeeman for Precinct 32, Country Club Estates.

I volunteer my services for Congressman Ciscomani as Sierra Vista's local contact and satellite office manager for local republican political activities.

Thank you for the opportunity to be considered for the position of Secretary, LD19.

Sincerely,
Jeanette Massaglia
