

Candidate Chairman of LD 19
Jo Ann Gasper

Dear Legislative District 19:

It has been an honor to serve as Chairman of LD 19 following the death of my husband. I sought the position to fulfill his vision of a Legislative District which supported our Republican Legislators without competing with the County Committees, and focusing on our Republican legislators and their support. I want to continue to improve the support of our Republican legislators and cooperation across the legislative district

The former Chairman also wanted the court to recognize the contract (legal settlement) signed by the Chairs of LD19 and Pima County Republican Committee. Unfortunately, the litigation has not been resolved. I would like another term as Chairman to resolve the litigation.
