Dear Legislative District 19 Members,

I respectfully submit my intent to serve as Fourth Vice Chair of Legislative District 19, with responsibility for facilities coordination and acquisition, and programs. My experience in hospitality management, meeting coordination, and customer service has prepared me to support well-organized meetings and engaging programs for our district.

Relevant experience includes:

- Facilities and meeting arrangements: As Director of Sales and Assistant to the General Manager at Sun Canyon Inn in Sierra Vista, I coordinated banquets, tours, and business meetings, including pricing, client needs, and event arrangements.

- Conference and event coordination: As Assistant General Manager and Director of Sales and Catering at Windemere Hotel and Conference Center, I coordinated business meetings, conferences, and weddings at a property with five banquet rooms, two restaurants, and a lounge.

- Working with diverse organizations: I worked with government and civilian organizations, military personnel, and defense contractors to meet their travel and event needs.

- Program planning and adaptability: My experience assessing client needs, promoting activities, and adjusting arrangements as requirements changed would help me identify relevant program topics and coordinate speakers, schedules, and facilities.

Political Activities:
- Life long registered Republican
- Arrangements Chairman, Huachuca Area Republican Women
- Volunteer Cochise County Republican Committee Office
- Huachuca City Election PC Coordinator
- Precinct Committeeman

I received recognition from the City of Sierra Vista for outstanding customer service and would bring that same commitment to serving our members. I would welcome the opportunity to apply these skills to securing suitable meeting facilities and coordinating informative, engaging programs for Legislative District 19.

Sincerely,
Michele Bowmaster
